2021 COURSE FEES

The fees for 2021 have not been increased from 2020 to assist families experiencing the economic downturn.

If you find yourself in a position to make an additional donation to the College of Magic, this will go a long way to helping us meet increased costs and boosting our training programmes in 2021.

EFT donations can be referenced "COM HELP 2021" or use the Snapscan facility and message 062 519 1177 with your particulars.
